

MUDDY CREEK CO-OP SPONSOR APPLICATION

The Muddy Creek Chapter of Trout Unlimited, along with the Pennsylvania Fish and Boat Commission, is raising up to 8,000 brown trout to stock in Muddy Creek each year. The CO-OP Nursery is located on Tom's Run, a tributary of Muddy Creek, where a 100 foot long raceway, using 24 hour aeration system and self feeders, permits us to raise these fish.

We believe anglers choosing to fish Muddy Creek deserve to fish for quality fish. But this does not come free. The Muddy Creek Co-op Sponsorship was formed to meet our feed, nursery supplies and electric needs. This is in addition to the volunteers who make daily trips to the nursery tending to the fish. Your Sponsorship can help to ensure that each season Muddy Creek and tributaries will be stocked with fish in addition to the PF&BC annual stockings.

With your Sponsorship to the Co-op, you will receive a sponsor card, our newsletter and a warm invitation to join fellow sponsors during monthly meetings, feeding the fish, trout stockings, and outings.

Sponsorship runs from January 1 through December 31st each year and the dues are only \$20.00.

Please take time to fill out the application below and send it in with your dues to:

BETH BOYD
304 S FRANKLIN STREET
RED LION, PA 17356

If you have already renewed sponsorship, pass this along to another angler who enjoys fishing along the banks of Muddy Creek and its tributaries.

Make Checks Payable to: MCTU # 575

Detach and send form to our CO-OP sponsorship Chair (listed above)
